

My Image Portal

Desktop user interface (Windows/Mac/Linux)

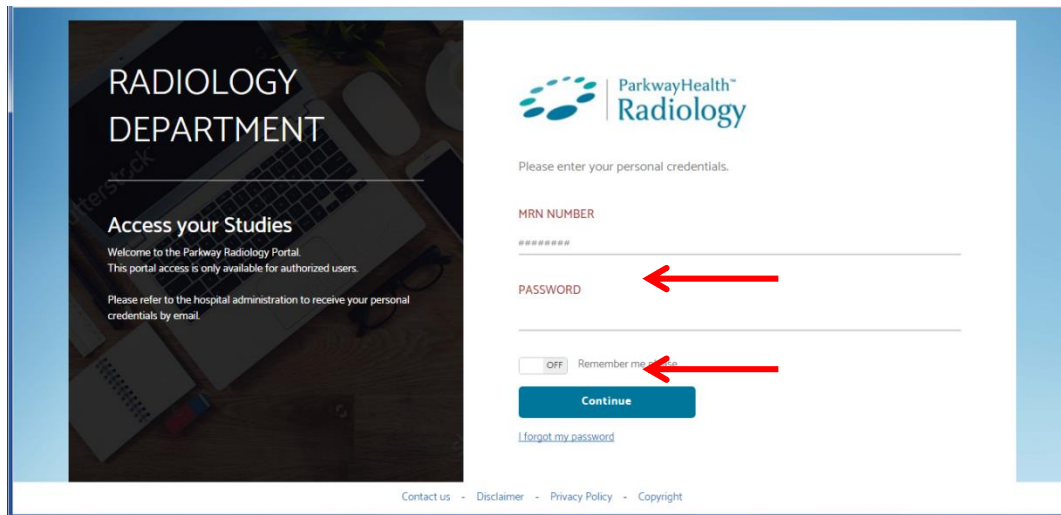

Mobile/Tablet interface

How to connect (patient)?

Connect to the Parkway Radiology portal site at <http://myparkwayimages.com> and either log in with existing credentials (REGISTERED PATIENT LOG IN) or create your account (PATIENT SIGN UP).

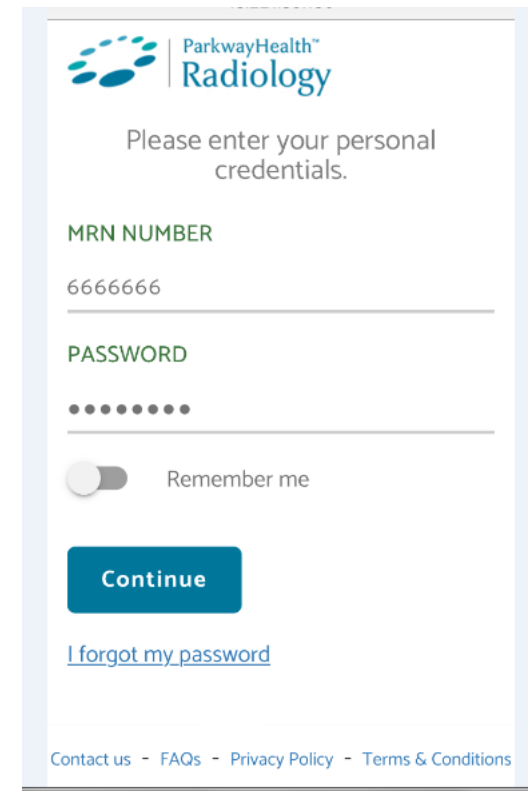

Registered patient login

Enter your MRN number and personal password that was set during your registration. Your MRN number is your Medical Record Number at Parkway. If you forgot your password, select [“I forgot my password”](#) to apply for a new password.

The desktop interface features a dark sidebar on the left with the text "RADIOLOGY DEPARTMENT" and "Access your Studies". The main content area has the ParkwayHealth Radiology logo and a login form. The form includes fields for "MRN NUMBER" and "PASSWORD", a "Remember me" checkbox (set to OFF), and a "Continue" button. A red arrow points to the password field, and another red arrow points to the "Remember me" checkbox. A link for "I forgot my password" is located below the "Continue" button. The footer contains links for "Contact us", "Disclaimer", "Privacy Policy", and "Copyright".

Desktop user interface (Windows/Mac/Linux)

The mobile interface displays the ParkwayHealth Radiology logo and a login form. The form includes fields for "MRN NUMBER" (containing "666666") and "PASSWORD" (represented by dots). Below the password field is a "Remember me" toggle switch. A "Continue" button is positioned below the toggle, followed by a link for "I forgot my password". The footer contains links for "Contact us", "FAQs", "Privacy Policy", and "Terms & Conditions".

Mobile/Tablet interface

I forgot my password

Enter the email address that was used to register your account then select “Send a Notification”.

The screenshot shows a web page for the ParkwayHealth Radiology portal. On the left, a dark sidebar contains the text 'MY IMAGE PORTAL' and 'I forgot my password'. The main content area on the right has the ParkwayHealth Radiology logo and a form to enter the MRN / MCR. A blue button labeled 'Send a notification' is at the bottom of the form.

You will receive an email with a link to a web page that will allow you to update your password.

Patient registration

Enter your MRN number and email address.

Your MRN number is your Medical Record Number at Parkway.

The screenshot shows a web browser window with the URL `18.221.89.130/index.php?r=login%2Fregister-patient1`. The page features a blue gradient background. On the left, a dark overlay contains the text "MY IMAGE PORTAL" and "Register your account". On the right, a white registration form is displayed. The form includes the ParkwayHealth Radiology logo, a prompt to enter MRN and email, and two input fields. Red arrows point to the MRN and email fields. A "Send verification email" button is located below the email field.

Patient studies list

Once logged in, you see a list of all your studies at Parkway. From here you can open a study and/or its [report\(s\)](#), [download](#) it, [share](#) it with another Doctor, manage your profile and log out of the portal.

The screenshot shows the ParkwayHealth Radiology interface. At the top left is the ParkwayHealth Radiology logo. Below it, a welcome message reads: "Welcome Bernard Fayot to your Parkway Image Portal". In the top right corner, there are links for "Account | Logout" with a red arrow pointing to "Manage profile" and another red arrow pointing to "Log out".

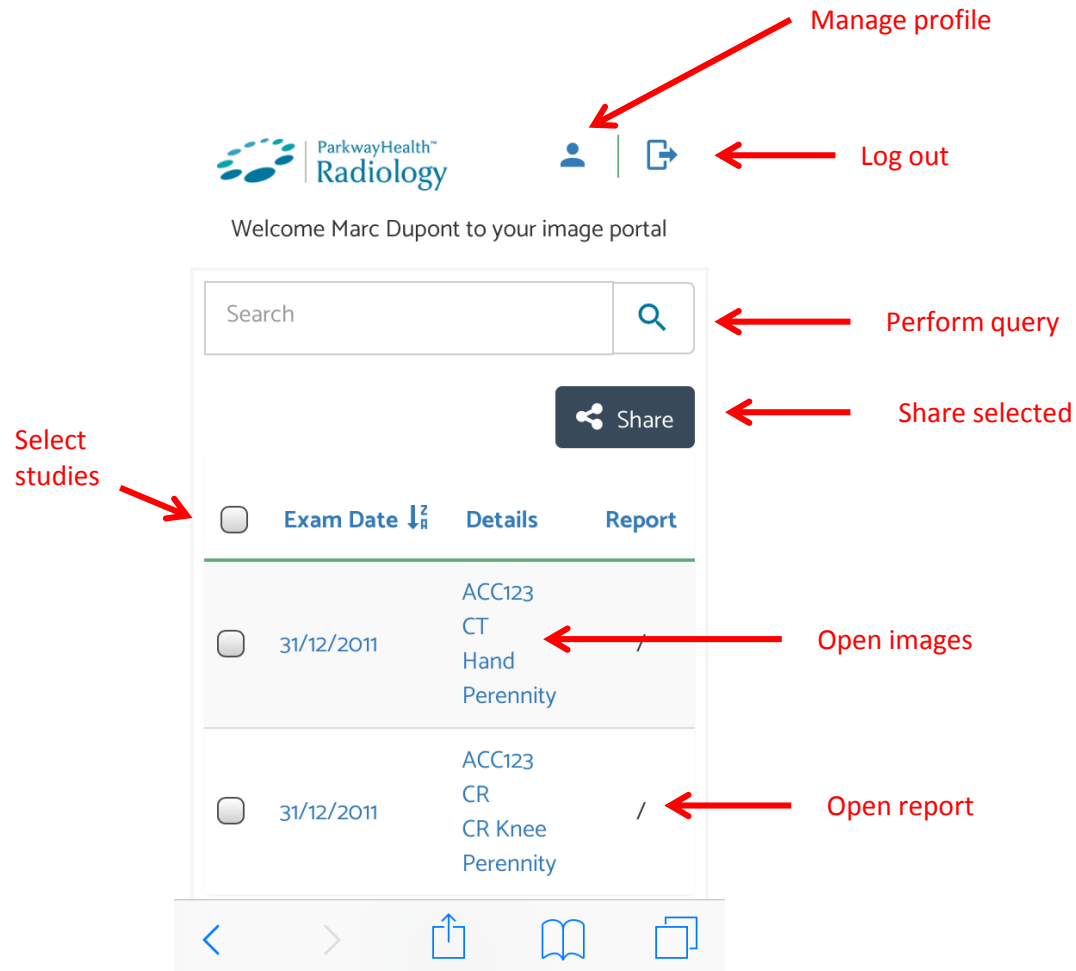

The main content area features a search bar with the text "Search" and a red arrow pointing to it labeled "Perform query". To the right of the search bar is a "Share selected" button with a red arrow pointing to it. Below the search bar is a table with columns: "Accession Number", "Date", "Description", "Modalities", "Institution", and "Report".

Red annotations highlight various actions:

- "Select studies" points to a checkbox in the first column of the table.
- "Open study" points to the "Accession Number" column.
- "Download selected" points to a "Download" button with a red arrow.
- "Open report" points to a document icon in the "Report" column.

	Accession Number	Date	Description	Modalities	Institution	Report
<input checked="" type="checkbox"/>	ACC789	31/12/2011	Coronary 15 frs	XA	Perennity	No report
<input type="checkbox"/>	ACC789	31/12/2011	MRI / report	MR/SR	Perennity	

Patient studies list (mobile/tablet)

Download studies

To download one or more studies, select them with the tick box in the first column of the studies list, then push the “Download” button and choose the desired output format. JPEGs can be opened with any image display tool (Not available on mobile/tablet).

The screenshot shows the ParkwayHealth Radiology Image Portal interface. At the top, there is a search bar and a "Download" button with a dropdown arrow. A red arrow points to the "Download" button with the text "2) Select 'Download'". Below the search bar, there is a table of studies. A red arrow points to the first study's checkbox with the text "1) Select 1 or more studies". The table has columns for Accession Number, Date, Description, Modalities, Institution, and Report. The first study is ACC789, dated 31/12/2011, with a description of "Coronary 15 frs", modality "XA", and institution "Perennity". The second study is ACC789, dated 31/12/2011, with a description of "MRI / report", modality "MR/SR", and institution "Perennity".

	Accession Number	Date	Description	Modalities	Institution	Report
<input checked="" type="checkbox"/>	ACC789	31/12/2011	Coronary 15 frs	XA	Perennity	No report
<input type="checkbox"/>	ACC789	31/12/2011	MRI / report	MR/SR	Perennity	

An email is sent to the patient with a link to download all images of the selected study(ies) as a ZIP file.

Share studies

To share one or multiple studies with another Doctor (your referring physician should have access to your studies by default), select the studies with the tick box in the first column of the studies list, then push the “Share” button.

The screenshot shows the ParkwayHealth Radiology portal interface. At the top, there is a logo for ParkwayHealth Radiology and a user greeting: "Welcome Bernard Fayot to your Parkway Image Portal". On the right, there are links for "Account" and "Logout". Below the header, there is a search bar and two buttons: "Download" and "Share". A red arrow points to the "Share" button with the annotation "2) Select 'Share'". Below the buttons is a table of studies. A red arrow points to the first checkbox in the table with the annotation "1) Select 1 or more studies". The table has columns for "Accession Number", "Date", "Description", "Modalities", "Institution", and "Report".

	Accession Number	Date	Description	Modalities	Institution	Report
<input checked="" type="checkbox"/>	ACC789	31/12/2011	Coronary 15 frs	XA	Perennity	No report
<input type="checkbox"/>	ACC789	31/12/2011	MRI / report	MR/SR	Perennity	

A new browser tab will open that will allow you to set your sharing parameters.

Share studies

Enter the recipient physician's email address, the sharing duration, and type any additional comments you wish to convey. Push the "Share" button to send the sharing invitation.

The screenshot shows the 'MY IMAGE PORTAL' interface for ParkwayHealth Radiology. The left sidebar contains the heading 'Share all your studies' and a welcome message. The main area shows a table of studies to be shared, a 'SHARE TO' field, a 'SHARING PERIOD' calendar, and a 'COMMENT' text area. A 'Share' button is at the bottom.

Annotations:

- 1) Enter recipient(s) email address(es) - points to the 'SHARE TO' field.
- 2) Set sharing duration - points to the 'SHARING PERIOD' calendar.
- 3) Add comments (optional) - points to the 'COMMENT' text area.
- 4) Select "Share" - points to the 'Share' button.

Accession Number	Study Description	Study Date
3778877	CHEST 1 VIEW	02/11/2017

SHARING PERIOD: November 2017

COMMENT:

Buttons: Share, Cancel

The recipient(s) will now get an email with a link to your selected studies. They can view these studies during the set sharing duration.

Opening reports

When a report is present, it is shown in the last column of the studies list (PDF icon). By selecting the icon, you will open the report in your browser or download it to your computer (depending on your system configuration).

The screenshot displays the ParkwayHealth Radiology portal interface. At the top, the logo and 'Welcome Bernard Fayot to your Parkway Image Portal' message are visible. Below a search bar, there are 'Download' and 'Share' buttons. The main content is a table of studies with columns for checkboxes, Accession Number, Date, Description, Modalities, Institution, and Report. The first row shows a study with accession number ACC789, dated 31/12/2011, described as 'Coronary 15 frs', with modality 'XA' and institution 'Perennity'. The 'Report' column for this study shows 'No report'. The second row shows another study with accession number ACC789, dated 31/12/2011, described as 'MRI / report', with modality 'MR/SR' and institution 'Perennity'. The 'Report' column for this study shows a PDF icon. A red arrow points to this icon with the text 'Open report'.

	Accession Number	Date	Description	Modalities	Institution	Report
<input checked="" type="checkbox"/>	ACC789	31/12/2011	Coronary 15 frs	XA	Perennity	No report
<input type="checkbox"/>	ACC789	31/12/2011	MRI / report	MR/SR	Perennity	

Unread study

Opening studies

To open a study, you can select any of the field values in one of the columns of the study list (except for the report column). This will open the selected study in a new browser window.

Viewer window

The viewer will open with the first image of the first series. The left pane shows the series with image thumbnails, on top is the toolbar.

Tools explained (Desktop)

Magnifying glass: select the icon, which will show a square that enlarges the image x2; while pressing your left mouse button you can drag the square around.

Zoom: select the icon then while pressing the left mouse button drag your mouse to top (enlarge) or bottom (shrink).

Pan: press the left mouse button and drag the image around

Adjustment: allows for adjusting the contrast (window width) and brightness (window level) of the images; press the left mouse button and drag to change as follows:

- drag down decreases brightness
- drag up increases brightness
- drag left increases contrast
- drag right decreases contrast

Pressing the down arrow at the right of the button allows for inverting the image or selecting preset windowing settings

Measure: allows you to measure the image in a number of ways (distance, angles, perimeter, density, region of interest...)

Viewer window (mobile/tablet)

← Toolbar

Tools explained (mobile/tablet)

Zoom & Pan: select the icon then while pressing the left mouse button drag your mouse to top (enlarge) or bottom (shrink).

Adjustment: allows for adjusting the contrast (window width) and brightness (window level) of the images; press the left mouse button and drag to change as follows:

- drag down decreases brightness
- drag up increases brightness
- drag left increases contrast
- drag right decreases contrast

Pressing the down arrow at the right of the button allows for inverting the image or selecting preset windowing settings

Measurements: allow you to measure the image in several ways (distance, angle, perimeter)

Stacking: functions as scroll bar through the series of images
